Dear Colin:

Although I have verbally expressed my appreciation to you, I want to formally thank you for being a part of our *Thinking Like The Disciplinarian* professional development series. The *Thinking Like an Artist* workshop was fascinating and really valuable for teachers. The feedback was exceedingly positive.

It is a distinct pleasure to work with you, and I am most appreciative of your continued interest and your willingness to share your talents with our teachers and students.

Best wishes for a joyous and blessed Christmas!!

Sincerely,

Charmy Perry
